What is the "truth" you stand on presently, and how
has it changed with time and your growth?

the 1990s, the rate of growth of the world economy has been slower than in the 1970s and 1980s. This has led to a decline in the rate of growth of the world economy, which has in turn led to a decline in the rate of growth of the world population. This has led to a decline in the rate of growth of the world economy, which has in turn led to a decline in the rate of growth of the world population.

It is a good idea to have a few extra copies of the letter on hand in case you need to send them to more than one person. If you are sending them to a group of people, you can use the same letter for all of them.

Figure 1 is a line graph illustrating the relationship between the number of days of rain and the number of days of sunshine. The x-axis represents the number of days of rain, ranging from 0 to 10. The y-axis represents the number of days of sunshine, also ranging from 0 to 10. The graph shows a series of steps, indicating that as the number of rainy days increases, the number of sunny days decreases. The line starts at (0, 10) and ends at (10, 0).

Translated from French, (M.T.)

Sion, Alberta.,
14th September, 1910.

To the Right Hon. Sir Wilfrid Laurier,
Premier of Canada.

Right Honourable Sir,

Being settled in Sion, Alberta, since eight years, I am saying that I am the first pioneer of this part of the country of Alberta. The land was not yet surveyed when I settled near a lake in the same year the first surveyor told me that I had ten or fifteen arpents in the lake, at the most, the advantage of having water for ourselves and stock was a compensation, and I remained. But when the division was made in sections, the surveyor, Mr. Pinfret, told me that I had thirty five arpents in the lake. As I have considerable improvements, besides having three of my children settled near me, I would not like to lose these improvements, neither to get away. I thought I might perhaps purchase. I have tried, but did not succeed, the Township line, or base line, as we say here, passes upon my land to go around the lake about two thirds of a mile and the whole length of the road, which lessens my homestead by as much.

There is on the south, on Section 33, a fraction of 101 acres, the property of the Government. Could I not get this as compensation? (this land is all in brush) and only the line divides it from my homestead. It would compensate for the shortage in my 1/4 section and for the road and fences, which cost work and money. If there is anything to pay over, I will pay the price the Government may ask. I would feel very much obliged, Sir, if you could obtain this land for me. What is left of my land is too small for a farm.

of the Interior for his most
favourable consideration.

Mr. Cote,

Two Certificates were issued to J. T. Ryan. He located one, and appointed Thomas A. Hayes his substitute, in connection with the other.

Mr. Ryan was informed that unless he forwarded to the Department a Certificate in lieu of the one he transferred to Mr. Hayes, his own South African Homestead would be cancelled.

He therefore filed in the Department South Africa Volunteer Board Land Certificate No. 329, issued to George F. A. Roper, together with a statement under the Volunteer Board Act, 1908, appointing himself as substitute. This instrument being in proper form, has been registered, and the Certificate endorsed in his favour.

I think the Certificate should now be cancelled, and a note placed in the register that it has been accepted in lieu of Certificate No. 3006, which he transferred to Mr. Hayes.

THE TIMBER AND GRADING LANDS BRANCH

Attention W. J. Grimes.

S.W. 1-3-3-12-W.4th.M.

S.E. 1-4-3-12-W.4th.M.

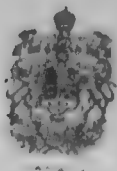

I beg to refer you to your memorandum of the 29th. ultimo, and in reply to state that application for patent was made by Mrs. Nella June Thompson, for the S.W. 1-3-3-12-W.4th.M., and the entry was cancelled in November 1924. Notices were sent to her at Milk River, Alberta, Portland, Oregon, U.S.A., Hardisty, Alberta, and to Kippenville, Alta.

The S.E. 1-4-3-12-W.4th.M. was held as a pre-emption entry by Mark Zoltenko, whose entry was cancelled in August 1924. Notices were sent to him at Max, North Dakota, U. S. A., Box 3531 St. Boniface, Winnipeg, Manitoba., and to Kippenville, Alberta.

As regards to a refund being made with the amounts collected for the value of the improvements, on the above described land, I beg to state that there is considerable Seed Grain indebtedness noted against both of the above described quarter-sections.

DOMINION LANDS ADMINISTRATION

Copy to the A.D.L. Iothbridge. OTTAWA, 23rd August, 1923.

Sir,-

Sec. 34 Tp. 2 Rge. 12 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Stephen Lyall, Esq.,
Lucky Strike,
Albera.

Your obedient servant,

P.S. If you hold the A.D.L. 3-3-12-4th M. under grazing lease you are at liberty to relinquish it from your leasehold if you wish to do so. If you do this, however, and it is decided to make the land available for settlement it would have to be posted for ten days and then made available for the first eligible applicant to apply therefor. You would have to take your chance with other applicants of securing entry. Under the regulations you cannot be given any prior right to make entry for the land.

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

- (1) of Canada and has served out of Canada; or, wherever he may have served is, by reason of his disability incurred or aggravated as the result of such service in receipt of a pension; or,
- (2) of his Majesty or of any of His Majesty's Allies and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,
- (3) of his Majesty or of any British Dominion or Colony and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

- (a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,
- (b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,
- (c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day:

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent a settler whose entry to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board.

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

RIGHT OF ENTRY IN AREA A RESTRICTED

By Section one of the Act 15-16 George V, Chapter 10, "An Act to amend The Dominion Lands Act," it is provided as follows:—

"Notwithstanding anything contained in this Act, no person shall be granted entry for lands situated within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 10 in the Dominion Lands system of survey unless such person submits evidence satisfactory to the Minister of the Interior that he or she is in permanent residence and conducting farming operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the parcel for which entry is applied for, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

Dear Sir:

re: file #17703540

Replying to your letter of October 26th to Mrs. Thomas Paulson, Coalville, Alberta, will say that there are 6 children who are heirs of the estate of Thomas Paulson, as well as the widow. All of these are of age with the exception of one Carl, who is living with his Mother.

I am enclosing herewith a form of release As these children are scattered, I wish to inquire if this form is sufficient when signed by the different heirs, or would you require them to be witnessed, and the witness to make an affidavit before a Commissioner as is usually done in former proceedings. One of these boys is in France, and also what would you require in regard to the one who is a minor. There is not sufficient property to justify an Administration, and there was no will.

Yours truly,

The amount involved is \$55.00.

Sir.

I have the honour to request that I may be granted permission to be absent from my homestead for one year, under the following conditions. On December 10th. 1915 I filed on the T.E. 4 of section 33 Township 2 Range 12 West of the 4th. meridian. I have lived continuously on said homestead from February 10th. 1916 until August 10th. 1917. I have 40 acres broken, and have sown two crops, in 1916 & 1917. Owing to the dry weather last season, my crop was a complete failure, and also I was unable to break any more land for the same reason. As I wished to have this land summer-fallowed this coming season, and therefore will not stand any chance to get anything off the land this year. I would like to get permission to be absent from the land as aforesaid. When I left my homestead last August I enlisted in the Alberta Provincial Police, and it is my intention to remain on the above force if I can obtain permission to be absent from my homestead. I am married but it is impossible for my wife and family to reside on my homestead alone as there is no water on said land and same had to be hauled from the Milk River, about 4 1/2 miles south. Trusting that you will be able to grant the above request, I await your favour.

I have the honour to be,
Sir,
Your obedient servant.

MEMORANDUM. -

Under our present regulations, we are protecting the entries held by members of the North-West Mounted Police. A similar privilege is now applied for by one of the members of the Alberta Provincial Police. I do not think that there will be many cases of this kind, and, under the circumstances, I would recommend that the entry of Mr. Francis Edmond Torpey, whose application is now under consideration, be protected as requested.

Respectfully submitted,

With reference to the above entrant's desire for protection of his entry during his engagement with the Alberta Provincial Police, the Minister is adverse to granting his request, as a matter of policy. His application for extension is too indefinite. He might be communicated with and asked how long an extension he requires, and providing the same is of a short duration his application might be granted. Kindly issue instructions accordingly.

Sir,

OTTAWA, 8th September, 1924.

Re S.E. 31-2-12-4th Mer.

Referring again to your letter of the 23rd July last regarding the value of improvements left by you on your homestead, the S.E. 31-2-12-4th Mer.

In July, 1923, an officer of this Department very carefully inspected the quarter and reported that the only improvements of any value left by you were a frame shack in a very poor state of repair without walls and sitting on the ground, worth not more than forty dollars; and a mile or two of wire fencing in equally poor repair, worth about twenty dollars.

You will, of course, understand that the Department cannot assume any responsibility for the state of improvements left by a settler and whose successor can only be expected to pay what they are worth when he takes possession, whatever their former value may have been.

I must again remind you that you are still indebted to the Department to the amount of \$68.24 and accrued interest for seed grain, and unless you are prepared to let me know definitely by return mail as to when settlement may be expected it will be my duty to recommend that immediate steps be taken to enforce payment.

Your obedient servant,

Dear Sir:-

Re: S.E. 30-2-12-W4th.

This Department has an old account against the above noted land for advances of seed grain to F.E. Torpey in 1919. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Dear Sir:

Ottawa, 21st November, 1932.

Re: P.E. 33-2-20-4

This Department has an old contract against the above land for advances of seed grain to P.E. Terpoy in 1917. As we have been informed that this is Crown land, we would like to be advised of its present status and whether it is likely ever to be used again for farming purposes.

Yours very truly,

LANDS DIVISION

December 3rd, 1952.

Dear Sir:

RE: DE 4 22-2-12-W. A. M. R.
Your file No. 100000.

I have your letter of the 1st ult. and in reply would advise that at the present time this land is included in Grazing Lease No. 23521. This lease is held for a term of twenty years by L. J. Halmstad, of Lethbridge, Alberta. This lease will expire on September 1st, 1967.

The quarter section referred to is located within the Homestead lease area, and it is not likely that the land will have any use, except as grazing land.

Yours truly,

for V. A. 1951,
Director of Lands.

Mr. C. A. LeClerc, Chief,
Lands Division,
Department of Resources and Development,
OTTAWA, Canada.

Mr. E.M. Nelson,
Commissioner,
Land and Survey Board.

Ottawa, 20th December, 1911.

Re: Account of E.M. Terry
3-1-1-4

The matter of the public land adjustment of the above party is referred to the Commission of the Land and Survey Board for investigation and report as follows:
In 1911, a sum of \$96.75 was advanced to the security of the above mentioned land. The principal and interest of this account is:

| Principal | Interest | Total |
|-----------|-----------|-----------|
| \$ 6.24 | \$ 125.01 | \$ 131.25 |

The entry was cancelled on the 1st of April 1913 and the land is still Crown Land held on the list of the Province.
In reply to the questionnaire of the 1st of November 1912, V. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"I have your letter of the 1st ultimo, and in reply have advised that the land in question is included in Grazing Lease No. 33573. The lease is held for a term of twenty years by E.C. Holmquist, of Lucky Strike, Alberta. The lease will expire on September 1st, 1960.

The latter section referred to is located within the Forested Lease area, and it is unlikely that the land will be conveyed for farming purposes and a longer term security of value for one advance. Under the circumstances it is recommended that the lease of the indebtedness be cancelled.
